Karolyn Leadbetter & Peter MacDonald,
The QJA
PO Box 653, Brisbane 4001

Dear Karolyn and Peter,

During this month, which marks the anniversary of WAG's founding, the Executive and members would like to formally acknowledge the valued contribution to WAG made by The QJA.

The QJA's substantial contribution in December 1993 facilitated the collation of statistical data for the Queensland Whistleblower Study, whose research results are so important to WAG. Then your financial support for Cyrelle Jan to work as WAG Resource Coordinator, providing support services not only to individual whistleblowers but also to WAG itself, allowed us to reach our present position of strength.

Please convey our sincere appreciation to your Council and your members.

In thanks,
